- Lorsque vous vérifiez votre compte et définissez votre mot de passe, vous serez redirigé vers votre org Salesforce, et donc sur votre sandbox.
- Cliquez sur le bouton "Plus" pour commencer à travailler.

The screenshot shows the Salesforce Configuration Home page. The top navigation bar includes "Configuration", "Accueil", and "Gestionnaire d'objet". On the far right, there is a toolbar with icons for search, refresh, and user management, with an arrow pointing to the user icon. The main content area is titled "CONFIGURATION Accueil". It features three cards: "Mobile Publisher" (with a "En savoir plus" button), "Accéder à mobile" (with a "Commencer" button), and "Documents collaboratifs en temps réel" (with a "Commencer" button). To the left, a sidebar lists various configuration options like "Assistant de migration de Lightning Experience", "Démarrage rapide de Nouvelle application mobile Salesforce", and "Utilisation de Lightning". At the bottom, a section titled "Derniers utilisés" shows a single item.

- Si vous n'arrivez pas sur cette page mais sur celle ci-dessous, cliquez sur votre nom et sélectionnez "My developer account".

The screenshot shows the Salesforce Developers homepage. At the top, there's a navigation bar with links for PRODUCTS, RESOURCES, COMMUNITY, BLOG, and TRAILHEAD. A search bar and a user profile dropdown for "Amandine Lemoult" are also present. A sidebar on the left features a cartoon illustration of two dogs playing with blue blocks. The main content area has a section titled "Components" with sub-sections like "Web Components and more!". A call-to-action button says "Build it now!". Below this, there's a section titled "Be a Trailblazer - Deliver continuous innovation." with a sub-section about the Salesforce Platform connecting customer journeys across Sales, Service, Marketing, and Commerce. A "Community" sidebar on the right lists links for Developer Forums, Events Calendar, Developer MVPs, Developer Groups, Developer Success Stories, and Blog. A "Resources & Tools" sidebar on the right includes links for Upcoming Events, Get Free Tutorials, and Trailhead. At the bottom, a "General Data Protection Regulation (GDPR)" notice informs users about the GDPR's impact on their data privacy rights and how Salesforce can assist them. A close button ("X") is located on the right side of the notice.

General Data Protection Regulation (GDPR)

On May 25, 2018, a new privacy law called the General Data Protection Regulation (GDPR) takes effect in the European Union (EU). GDPR expands the privacy rights of EU individuals and places new obligations on all organizations that market, track, or handle EU personal data. How can Salesforce assist you on your GDPR journey? Check out our GDPR resource site and find out how: <https://www.salesforce.com/gdpr/overview>.
